Port Royal Town Hall

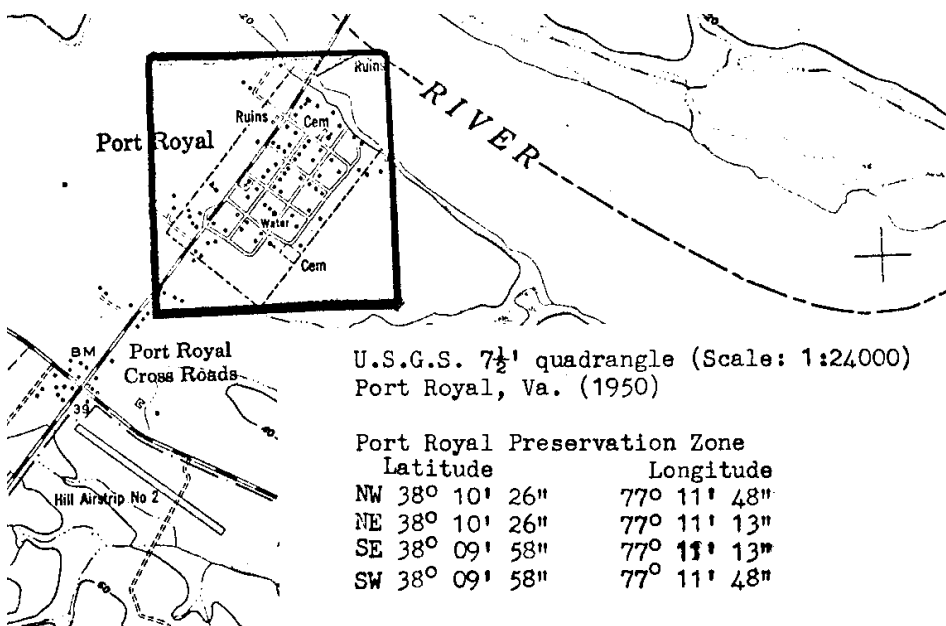

## Port Royal Historic District: State and National Register designation

Town Port Royal is investing funds and has received financial help from Virginia Department of Historic Resources to undertake a detailed survey of architectural and other elements of the historic district.

- ◆ Historic district placed on the Virginia Register of historic places, 1969;
- ◆ Historic district established on the National Register of historic places, 1970;
- ◆ About 200 acres in size

**Purpose** of this survey is to update information, identify properties which might be individually listed, seek greater collaboration between the Town Port Royal and Virginia Department of Historic Resources, and raise awareness of these historic assets.

Restoration of the Town historic resources is greatly needed and this is a good start to the process.
